

Fall is finally here!

We have exciting news, we have **three nominees** for joining the Board, for a full **5-member** Board. If anyone else in the community is interested in putting your name in, we will be voting on nominees on **October 12, at 6pm** (at the Cabana) at the next HOA meeting (in place of the September meeting that was cancelled.) We also have a need for **one** more person to complete the Fining Committee as well. Contact a board member to put your name in. Once we vote and have places assigned, we will post all names on the bulletin boards for those of you not able to attend the meeting.

The Board would like to see our community have a party or potluck at the end of the month in October and December, so let's bring your ideas to the October 12th meeting and see if anyone wants to head up some fun stuff such as: maybe a doggy Halloween parade?? What about a potluck chili cook-off?? The weather will be good for that now! How about for Christmas: maybe a cookie exchange? We have some creative residents living here, so if anyone is willing to volunteer and head something up, let's have some fun and Contact Darlene or Kathleen for more information and to volunteer.
